

**Delaware River Basin Commission**  
**NOTICE OF COMMISSION MEETING**  
**AND PUBLIC HEARING**

Notice is hereby given that the Delaware River Basin Commission will hold an informal conference followed by a public hearing on **Wednesday, December 5, 2012**. The hearing will be part of the Commission's regularly scheduled business meeting. The conference session and business meeting both are open to the public and will be held at the Commission's office building located at 25 State Police Drive, West Trenton, New Jersey.

The morning conference session will begin at **11:00 a.m.** and will include (a) a report by staff on the Commission's Information Technology (IT) Upgrade and Water Charging Program On-Line Reporting System; and (b) an update by a representative of the U.S. Army Corps of Engineers Philadelphia District on development of a Delaware Estuary Regional Sediment Management Plan.

Items for Public Hearing. The subjects of the public hearing to be held during the **1:30 p.m.** business meeting on December 5, 2012 include draft dockets for which the names and brief descriptions will be posted on the Commission's website at [www.drbc.net](http://www.drbc.net) at least ten days prior to the meeting date. Complete draft dockets will be posted on the website ten days prior to the meeting date. Additional public records relating to the dockets may be examined at the Commission's offices. Please contact William Muszynski at 609-883-9500, extension 221, with any docket-related questions.

Other Agenda Items. In addition to the public hearing on draft dockets, the **1:30 p.m.** business meeting will include public hearings on: (a) a resolution authorizing the Executive Director to engage an expert panel to advise the Water Quality Advisory Committee (WQAC) and the Commission on the development and use of a Delaware Estuary Eutrophication Model; (b) a resolution authorizing the Executive Director to award a professional contract for consulting services in connection with the Commission's Water Charging Program and Water Supply Storage Facilities Fund; and (c) a resolution authorizing the Executive Director to award a construction contract to the lowest responsible bidder for DRBC courtyard modifications associated with the Ruth Patrick River Garden and to amend the authorized amount of the Commission's contract with T&M Associates to include compensation for final design, preparation of bid documents and construction management.
